

SITUATIONAL GOAL ORIENTATION MEASURE

Posted on July 28, 2020 by mohammad jameel

Learning goal orientation

1. I intend to learn as much as I can while performing this task.
2. I want to really understand the material and procedures for this task.
3. I look forward to mastering the challenges of this simulation.
4. If I don't understand the components of the task right away, I will keep trying until I do understand it.

Performance goal orientation

1. I am eager to prove to others how good I am at this task
2. I wonder how my score on the next trial will compare with peoples scores.
3. I am eager to show how much I know about the materials and procedures for this task.
4. I want to appear competent on the upcoming task.
5. I want to do better than others on the next trial

1= Strongly disagree, 2= Disagree, 3= Neutral, 4=Agree, 5= Strongly agree
