RECOMMENDED CITATION

stats writer (2024). *What is the process for rewriting a sentence using “as” as a question?*. PSYCHOLOGICAL SCALES. Retrieved from <https://scales.arabpsychology.com/?p=164818>

The process for rewriting a sentence using "as" as a question involves transforming a statement into a question by using the word "as" to introduce the subject of the sentence. This typically requires reversing the word order of the original sentence and adding a question mark at the end. This technique is commonly used to gather more information or clarification on a specific topic.
