RECOMMENDED CITATION

mohammad looti (2025). *ABSENTEEISM*. PSYCHOLOGICAL SCALES. Retrieved from <https://scales.arabpsychology.com/?p=67962>

unexcused absences from responsibilities such as school or work- primarily when recurrent. Documentation of times, dates and overall frequency of unexcused absences. May contribute to poor academic and workplace performance.

ABSENTEEISM: "The rate at which Janel's absenteeism increased left her boss with no choice but to fire her."
