RECOMMENDED CITATION

mohammad looti (2025). *THEOPHAGY*. PSYCHOLOGICAL SCALES. Retrieved from <https://scales.arabpsychology.com/?p=53044>

noun. literally, the food ingestion of God. In most utilizations, the term references the representative ingesting of the body or blood of a deity, as within the Christian Eucharist, as a way of communing more completely with the divine. That being said, it can additionally be referenced as specific rites wherein adherents try to absorb the traits of a deity by eating the body or blood of a slaughtered animal or person thought to be its representative.

THEOPHAGY: "Theophagy, in more extreme senses, is regarded to be silly and sometimes odd, by many people."
