## RECOMMENDED CITATION

mohammad looti (2025). *TOPOGRAPHICAL DISORIENTATION*. PSYCHOLOGICAL SCALES. Retrieved from <https://scales.arabpsychology.com/?p=52959>

a disorder of spatial visualization stemming from lesions within the cerebral cortex. It is demonstrated by trouble or incapacity to remember the ordering of rooms within a house or the furniture within a room of a house wherein the person resides. Individuals with this condition additionally might not be able to remember or depict the location of landmarks or other items within their neighborhoods.
