(Based on response to Q27A/Q28A/Q28B)

29. INTERVIEWER: Please read to respondent.

The next section asks about different sexual activities. Again, all your answers are confidential. It is important for us to ask these questions of everyone so we can find out how many people are or are not at risk for AIDS in the United States.

[If R is a Heterosexual Woman or Heterosexual Man]: For this next series of questions I will be using the terms vaginal and anal intercourse, and oral sex. By vaginal intercourse we mean when a man puts his penis in a woman's vagina. By anal intercourse we mean when a man puts his penis in a woman's anus or rectum. By oral sex we mean stimulating the genitals with the mouth or tongue.

[If R is Gay Male]: For this next series of questions I will be using the terms anal intercourse and oral sex. By anal intercourse we mean when a man puts his penis in another man's anus or rectum. By oral sex we mean stimulating the genitals with the mouth or tongue.

[If R is Bisexual Male]: For this next series of questions I will be using the terms vaginal and anal intercourse, and oral sex. By vaginal intercourse we mean when a man puts his penis in a woman's vagina. By anal intercourse we mean when a man puts his penis in another man's or woman's anus or rectum. By oral sex we mean stimulating the genitals with the mouth or tongue.

[If R is Bisexual Woman]: For this next series of questions I will be using the terms vaginal and anal intercourse, and oral sex. By vaginal intercourse we mean when a man puts his penis in a woman's vagina. By anal intercourse we mean when a man puts his penis in a woman's anus or rectum. By oral sex we mean stimulating the genitals with the mouth or tongue. In asking about sex with women, we will also refer to penetration of the vagina or anus. By penetration we mean when a woman puts either a finger, fist, or sex aid into a woman's vagina or anus.

[If R is Lesbian]: For this next series of questions I will be asking about oral sex and penetration of the vagina or anus. By oral sex we mean stimulating the genitals with the mouth or tongue. By penetration we mean when a woman puts either a finger, fist, or sex aid into a partner's vagina or anus.

Read to all respondents.

We also will ask about mutual masturbation. By mutual masturbation we mean when you or your partner sexually excite each other by touching each other's genitals (sex organs) to the point of arousal, but not necessarily to orgasm or climax.

29A. We've read you a lot of terms, would you like me to repeat these definitions?

INTERVIEWER: Please read the following definitions if respondent has NOT had sex in the last 12 months. ALL OTHERS SKIP TO Q153A.

For this next series of questions I will be using the terms vaginal and anal intercourse, and oral sex. By vaginal intercourse we mean when a man puts his penis in a woman's vagina. By anal intercourse we mean when a man puts his penis in another persons anus or rectum. By oral sex we mean stimulating the genitals with the mouth or tongue. We also will ask about mutual masturbation. By mutual masturbation we mean when you or your partner sexually excite each other by touching each other's genitals (sex organs) to the point of arousal, but not necessarily to orgasm or climax.
